Exhibition Information

More than 1,500 people are expected to attend this year's Annual Conference now called *'The Really Useful Business Show'* making it the perfect opportunity to reach a unique audience of Sussex business leaders. Join us at our 2009 conference to help build your business!

Host for the Day

We are pleased to announce Fred Dinenage, co-anchor of 'Meridian Tonight', as our host for the day. Fred is a familiar face on TV in Sussex. By 1984 he was co-presenting 'Coast to Coast' and, when Meridian took over in 1992 he took over the reins on Meridian Tonight. So he's been in TV for forty five years - and fronting the six o'clock programme for the past twenty five.

Guest Speaker

Our guest speaker is Digby Jones the ambassador for the Government's National Economic Council. He held the post of Director-General of the Confederation of Business Industry for 6 years and was the Minister for Trade and Investment at the Foreign and Commonwealth Office in 2007.

He is an entertaining speaker and will give us his unique and thought provoking insight into running a business.

A must see!

Dragon invests in Fresh Egg

James Caan was so impressed after meeting digital agency

Fresh Egg at last year's exhibition, that he decided to invest through his private equity firm and is now Chairman of the company.

Adam Stafford, managing director of Fresh Egg, which employs 25 people, said "We spoke for about 20 minutes at the conference then arranged to have lunch. After James found out more about what we do he decided to invest."
